Defnydd eithriadol o dechnoleg i wella'r profiad dysgu i staff a dysgwyr

"Mae datblygiadau mewn technoleg yn effeithio ar bob agwedd o ddarpariaeth addysg a hyfforddiant ac yn cael effaith ar ddysgwyr, athrawon, ymarferwyr cefnogaeth busnes a'r rhai gyda rolau rheoli" (*Canllaw Cymhwyso i Alluogi Arweinwyr a Rheolwyr i Arwain Defnydd Effeithiol o Dechnoleg yn y Sector Dysgu Gydol Oes yng Nghymru*, LLUK, 2009).

Mae Learndirect yn manteisio ar ddatblygiadau technolegol,gan gyflwyno dysgu hyblyg gyda chymorth i fwy o bobl o bob math o fywyd, o'r rheolwr sydd angen ffitio hyfforddiant staff o gwmpas anghenion busnes, i'r rhiant sydd angen dod o hyd i waith wrth jyglo gofal plant a'r person a gafodd drafferth gyda mathemateg a Saesneg yn yr ysgol ac sydd am wella'i sgiliau yn ei amser ei hun.

Bydd y cais yn cael ei farnu yn ôl y meini prawf canlynol:

- Tystiolaeth fod datblygiadau technolegol yn cael effaith fesuradwy ar ansawdd y ddarpariaeth

Outstanding use of technology to enhance the learning experience for staff and learners

"Developments in technology affect all aspects of education and training provision and have an impact on learners, teachers, learning and business support practitioners and those with management roles" (*Application Guide for Leaders and Managers to Lead the Effective Use of Technology in the Lifelong Learning Sector in Wales*, LLUK, 2009).

Learndirect capitalises on technological advances, delivering flexible, supported learning to more people in all walks of life, from the manager who needs to fit staff training around business needs to the parent who needs to find work while juggling childcare and the person who struggled with maths and English at school who wants to improve their skills at their own pace.

The application will be judged on the following criteria:

- Evidence that technological advances are having a measurable impact on the quality of the identified

ddynodedig

- Gellir nodi'r manteision i ddysgwyr yn glir o'r ystod arloesol o dechnolegau a ddefnyddir
- Tystiolaeth o sut mae technoleg yn gwella cyfleoedd i staff, yn eu datblygiad eu hunain ac yn eu ffordd o gyflwyno dysgu
- Tystiolaeth o ddull strategol cryf ac arweinyddiaeth ar lefel uwch wrth gyflwyno a defnyddio technoleg.

provision

- Benefits to learners can be clearly identified from the innovative range of technologies used
- Evidence of how technology is enhancing opportunities for staff, both in their own development, and in their delivery of learning
- Evidence of a strong strategic approach and leadership at a senior level in the delivery and use of technology.
